Mystery Shopping Visit Report

Store Name: Riverside Mart #101

Date of Visit: 12 March 2026

Shopper ID: SH-101

I entered the store at 10:30 AM and was greeted by an associate within one minute.

The associate was wearing a name badge and asked how she could help me.

I asked about the premium blender priced at $89.99 and she demonstrated it for me.

The store was clean and the shelves were well stocked but the received goods area was messy.

I paid with a card and received a printed receipt at the register.

The cashier thanked me and invited me to return soon. Contact the shopper at jane.doe@example.com for details.
